

Vydehi Institute of Pharmacy celebrated “World Pharmacist Day”, on 25th September 2021. The day is celebrated to promote and advocate the role of the pharmacist in improving health in every corner of the world. This year the theme was “Pharmacy: always trusted for your health “. All students participated in poster presentation competition with great enthusiasm along with faculty members.

Principal, Vydehi Institute of Pharmacy Prof. Dr. Lakshmayya, congratulated all students and staff for celebrating this day with great panache and appreciated them for their active participations, further motivating them to become creative inventors and briefing about the importance of Pharmacy in pharmacovigilance. He also applauded the efforts of faculty members for their commitment and dedication.

The Highlight of the event was guest lectures by Dr Ananya Chakraborty, Prof & HOD, AMC Coordinator, VIMS & RC. On Introduction to Pharmacovigilance, Dr. Latha Kamath, Assistant Professor AMC, VIMS & RC. On Functioning of ADR Monitoring Center, Ms. Vishakha K, Pharmacovigilance associate, AMC, VIMS & RC. On Reporting of ADR and by Ms. Sahana, Clinical Pharmacologist, AMC, VIMS & RC on Prescription Audit towards Patient safety. The talks were extremely informative and thought provoking.

Winners of Poster presentation competition were awarded with prizes and all the participants were given certificates. Prize distribution was followed by the vote of thanks.
