The guest speaker was heartily welcomed by Ms. Niharika, student of B. Pharm second year and was followed by “Jyothi Prajwalana” with a prayer song by Ms. Reenu, third year B. Pharm Student. The guest speaker Mr. Sagar M S possessed wide experience in Pharmaceutical industry – Manufacturing Units, Quality Assurance. In his talk he emphasised on Manufacturing Units, Quality Policy, activities under QA, Functions of QA, Documentation, Data integrity, Audits and many more. Student-speaker interaction was followed where students came forward with their active, and enthusiastic views/ ideas and questionnaire.

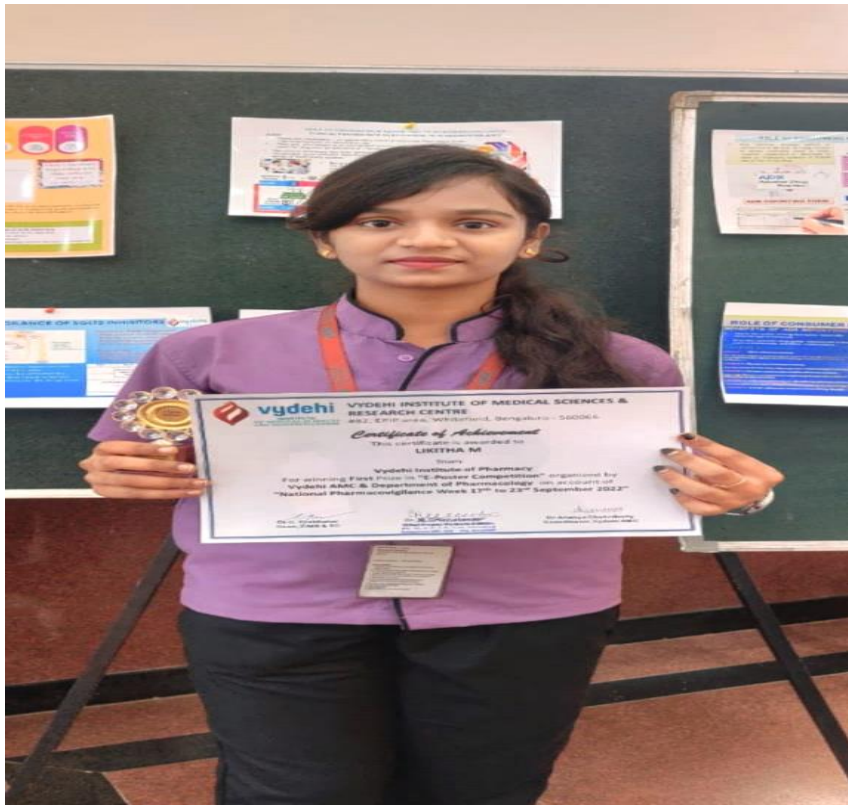

On behalf of Management, Principal, Mr. B. R. Srinivas Murthy, Assistant Professor-Department of Pharmaceutics has felicitated the speaker with memento and shawl as a token of gratitude and appreciation. At the end the vote of thanks was given by Ms. Riya, student of B. Pharm second year.

🚩 A Career in Pharmacy- by Shri V. L Hambar

A beneficial and intuitive guest lecture on “A Career in Pharmacy” was organized on 24/09/2022 by Vydehi Institute of Pharmacy Seminar Hall, VIMS & RC on the eve of World Pharmacist Day 2022. Seminars are an inherent part of Pharmacy department’s culture. As a part of curriculum, seminars and guest lectures are organized periodically for enrichment of knowledge, skills and benefit of students. The program started traditionally with prayer song, followed by the welcome speech. Prof. Lakshmayya, Principal -VIP preceded the program with a welcome note and special emphasis on ‘The Future of Pharmacy United with Technology’ using PPT. Pharmacists role in healthcare sector by collaborating and by uniting with modern technologies was highlighted. The principal also covered regarding many challenges in all the areas of pharmacy and with some potential solutions. He advised the students to take up research and encouraged them to be innovators in the Pharmacy field. Later the speaker Shri V. L Hambar, Rtd, Deputy Drugs Controller, Drugs Control Department, Bengaluru, Karnataka, has initiated the session with a prior brief citation by a student representative. The session was chaired by Dr. Ananya Chakraborty, Professor and head of the department-Pharmacology, VIMS & RC, and with special invitees Dr. Latha Kamath, Dr. Nishith, Dr. Meherban, department-Pharmacology, VIMS & RC. The speaker emphasised on wide scope and career opportunities in Pharma field and he sparked interest in the minds of budding pharmacists. The session was more interactive where teachers and students came up with many doubts and questions. On behalf of Management, Principal, Prof Lakshmayya honoured and felicitated the speaker with memento and shawl as a token of gratitude and appreciation. Finally the session was concluded with the vote of thanks.
